What is this type of insurance? The group insurance policy has been taken out by the Policyholder Association « Association pour la Solidarité entre Personnes en Mobilité Internationale » (ASPMI) with VYV International Benefits, acting on behalf of MGEN Portugal. Its purpose is to provide International private medical insurance designed for expatriates who are living away from their country of nationality. It provides cover for a range of medical and associated costs for treatment incurred in the territories named.

Where am I covered?

- ✓ This plan provides cover in the countries according to the area of cover you have selected as shown on your certificate of insurance. If you travel outside of the stated area of cover, we will provide limited cover for emergency medical treatment for up to 60 days of travel per policy year. This benefit is limited to \$60,000 / €52,000 / £42,000 and a maximum of 60 days of travel per policy year if you receive treatment in the Area1 countries.
- ✓ You are covered for elective home country treatment provided that:
 - your home country is not excluded from your chosen area of cover
 - your expatriate status has not changed
 - you have sought pre-authorisation

What are my obligations?

- You must disclose medical history and all material facts
- You must always keep your premium payments up to date
- You must obtain pre-authorisation before undertaking any inpatient, day patient and any other benefits where this is stated in the 'How to Claim' guide in line with your terms and conditions as otherwise this may result in a 25% reduction of your reimbursement
- You must pay the agreed deductible and co-pay as shown on your certificate and where applicable to benefits
- You must tell us straight away if you are no longer an expat, if your country of residence or the country of your nationality changes
- You must tell us if you have any other insurance or government scheme that also provides medical benefits

When and how do I pay?

- Premiums are payable in the currency you have chosen and in advance of cover being provided
- Premiums can be paid in instalments, but the annual insurance contract period is unaffected by this. Due to the differing risk profile associated with instalment-paying customers, a surcharge will apply if premiums are not settled in full at the outset. Surcharges are: Semi-Annual 4%; Quarterly 5%; Monthly 8%
- Premiums can be paid by credit card (monthly, quarterly, semi-annually, or annually) or by bank transfer (if paying semi-annually or annually only)

When does the cover start and end?

- Your policy starts at the agreed date once you have confirmed acceptance of the policy terms and conditions and paid your policy premium
- Your policy runs for a full calendar year and will be renewed automatically for a further year and payment taken, unless you tell us in writing 2 months prior to your policy end date that you do not wish to renew your annual policy
- Please refer to your certificate of insurance for the exact cover start and end dates
- We reserve the right to charge an administration fee where applicable.

How do I cancel the contract?

- You may cancel your policy in writing within 14 days of the certificate of insurance issue date and receive a full refund provided you have not made any claims or made use of your policy in any other way (the full refund only applies in the first policy year, not for renewals)
- Thereafter, you can cancel your policy at any stage if you have not made any claims, as long as you provide notice of one month and a \$€£100.00 administration fee will be due.
